

New to Mermaid's line

Author: John Trotter<jtrotter@mair.com>

Take a look at what we, at Mermaid, have been up to. Our customers demanded and we delivered....our newest AC the Mermaid "M24" is solving those larger boats self contained marine a/c needs! 24000 plus BTU in Cool and over 28000 BTU in heat.

Take a look under Marine Division and 24000BTU system!
