

Programmable Thermostat

Programmable Thermostat
Prog - T-Stat

Mermaid's standard Digital Programmable Thermostat. Designed to be used with any Mermaid unit. Programmable features allow for dehumidification.

Mermaid's Digital Programmable Thermostat is provided standard with each Mermaid Marine Air conditioning unit. The thermostat is also accompanied with 20 feet of four-wire thermostat cable and installation instructions.

The Programmable features allow for weekday and weekend setting for those boater's who care to use the unit for dehumidification or simply climate control while not on board. The unit may also simply be used as a on/off control device by utilizing the "Hold" temperature setting key.

Non-Programmable Thermostats are also now available.

Price \$60.00
